

The Connecting Wall - answers

The Wall contains 20 clues labelled A to T

The answers to these 20 clues can be arranged into 5 groups of 4 whereby each answer in a group has a word or part of a word (sometimes in sound, rather than spelling) in common with the other 3 answers in that group.

The 5 shared words/part-words belong to an overall theme

Provide the 4 answers in each group, the 5 shared words, and the overall theme

1 point for each answer - 1 point for each of the five shared words -
5 points for the overall theme
